

2 Day, Managerial Skills and Execution Excellence

Course Overview

Excellence in Managerial skills empowers every individual manager to effectively plot a route to overcome the hurdles in order to execute the organization level strategy. Management Roles and Positions across the organization pave way for competitive advantage as they are the ones who constantly work towards putting the strategy into action.

As competent Management Level Executives, like across at the world's most successful companies, we welcome you to step outside your organization to acquire fresh ideas and new thought processes...

This Managerial Skills Development Workshop enables the Managerial Executives to develop an effective personal leadership style...Explore & Evolve from what other top enterprises around the world are doing to nurture management and leadership!

A Brief on Managerial Skills Excellence Workshop

Managerial Skills, Styles & Behaviours – Engage, Explore, Evolve & Execute!

Effective management and leadership are critical to the success of all organizations... The costs of poor management and leadership decisions are manifested in low quality work output; added stress; increased absenteeism; and additional stress contributing to work-life imbalance.

Competency-based performance skills to improve management effectiveness and leadership behaviours are based on the premise that past performance is the best indicator of future performance in a similar environment!

Course Objective

This **2 Day Workshop** provides participants with the competence and confidence to make right management decisions and exhibit vibrant leadership behaviours that are consistent. The workshop briefs participants on completing managerial and leadership self / peer assessment; the importance of interdependence to transform; the role that competency and attitude plays.

The objective of this workshop is to develop and improve the managerial techniques and traverse to exhibit leadership skills of participants to ensure future decisions result in the right decisions to effectively put organization strategies into action. This workshop nurtures development of the Right Performance Skills of Managers!
